scripture references.

Romans 5:6-11, 1 John 5:11-12,

questions.

1. Have you ever wrestled with the question, "Does God really love me?" What was that wrestle like?
2. How do you define love?
3. Where in your life have you seen your own brokenness? Share stories with each other of how God has shown up in the midst of your brokenness.
4. When we surrender our lives to Jesus; put our faith in his life, death, and resurrection; we are no longer sinners! That is no longer how we are identified. We are now children of God who have been covered by the blood of Jesus and are seen as righteous. Are you able to see yourself how God sees you?
5. Close in a time of prayer. Ask God to continue to reveal the truth of the Gospel to you every day. We all need God's grace, and thankfully he freely gives it without limitation.
